Welcome to Akemi Group of Institutes – Where Vision Becomes Reality

At Akemi Group of Institutes (AGI), we are shaping the future of education by fostering Innovation, Leadership, and Global perspectives. Founded by renowned entrepreneur and social activist Mrs. Vibhawari Bokey and distinguished educationist Dr. Abhishek Bokey in 2006, Akemi is a premier educational hub committed to transforming young minds into leaders of tomorrow.

Strategically located near Pune's fast-growing Hinjewadi IT Park, ABS offers globally benchmarked, full-time MBA programs across various specializations. With a clear vision for the future, we are expanding into cutting-edge fields, with plans for a Research Center, School of Languages, and Global Programs tailored for MBA students.

Our programs, affiliated with Savitribai Phule Pune University (SPPU), recognized by the Government of Maharashtra, and approved by AICTE, are crafted to foster business acumen, strategic insight, and leadership with a global outlook.

Life at Akemi is an enriching blend of learning and engagement, where students participate in a wide array of social, cultural, and sports events, both within Pune and beyond.

LEADERSHIP

Vibha Bokey, President , AGI

Welcome to Akemi – Where Your Journey Begins

At Akemi, we believe in the limitless potential within every individual. We ignite a passion for learning and inspire you to think boldly, innovate, and pursue your dreams with purpose. In a fast-evolving world, success demands more than skills—it requires vision, resilience, and a commitment to excellence. Our forward-thinking curriculum equips you with the tools to thrive, blending academics with essential life skills to prepare you for the challenges of tomorrow.

Dr. Abhishek Bokey,
Founder President , AGI

At Akemi, we are passionate about creating a vibrant, innovative environment where each student's unique potential is nurtured. Our mission goes beyond academics—we aim to empower you to thrive in a rapidly evolving global landscape. Here, education is a transformative journey that blends knowledge with essential life skills. We are committed to guiding you with excellence, helping you embrace challenges and achieve your aspirations.

Your future begins with endless possibilities.

Dr. Avijit Nair, CEO, AGI

We are thrilled to have you at Akemi, a distinguished institution in Pune, inspired by Swami Vivekananda's belief that "**Education is a manifestation of perfection already in man.**" Our holistic approach is dedicated to unlocking your unique potential and cultivating the values essential for success. From our Junior College to our innovative MBA program, we provide a comprehensive educational journey that integrates cutting-edge disciplines and real-world skills. We ensure you are not only career-ready but also life-ready.

ABS - Where Change Begins

At Akemi Business School, we believe today's global landscape is one that combines experiential learning, technology integration, collaboration & cultural competence.

This multifaceted approach not only equips students with essential business skills but also fosters adaptability and innovation, preparing them for successful careers in an increasingly interconnected world.

Selection Process

TESTIMONIAL

I have immense pleasure studying in Akemi Business School. All the facilities available in this college are perfect for a student to grab knowledge which is essential to improve oneself. I am happy that I made the decision to join this college for my MBA. I will also suggest my friends to join the college.

- Prajakta Borse

The MBA program enhanced my public speaking, project management, and leadership skills through workshops, mentorship, and networking.

- Vaibhav Kumar

Think Different, that is one thing that Akemi urges in and to far extent succeed in teaching to its students which invariably helps to achieve what you need. The faculty rigorously prepares the student for final exam during the course of day to day classes.

- Trupti Saner

The MDP Program has been a game-changer. Its exceptional learning approach & expert mentorship is truly preparing me to excel in dynamic professional environment .
